NATIONAL SCHOOLS SNOWSPORT WEEK

Monday 24th – Sunday 30th April 2017National Schools Snowsport Week is a campaign delivered by Snowsport England's Youth Development Committee, which aims to develop school children's skills and abilities and increases school participation in Snowsports.

Following the successful pilot in 2016 (which saw a total of 21 Slopes across England, 149 schools and 1066 school children participate in the initiative) we are delighted to announce that National Schools Snowsport Week will be delivered again on Monday 24th – Sunday 30th April 2017.

Does your Region, Club, or Slope want to be

involved? Or do you know a school that would like to take up the opportunity?

World Snow Day

World Snow Day is the second phase of the 'Bring Children to the Snow' campaign. World Snow Day looks beyond the FIS membership to the wider snow sports community. It seeks to motivate children aged from 4-14 by encouraging all stakeholders to celebrate all things snow around the world simultaneously. In short, World Snow Day is the biggest day on snow all year. And World Snow Day is not a one-off event but is planned to be staged annually for years to come.
