RACE ENTRY ELIGIBILITY

GBR (Great British Racing) RACES

The aim is to provide an opportunity for the highest ranking racers to compete with their peers, and to provide competitions from which ranking lists in age and gender categories can be derived.

There will be separate Series for indoor and outdoor races. Each Series consists of five races, two organised by Snowsport England, two by Snowsport Wales and one by Snowsport Scotland.

Entry is determined by selecting the racers with the lowest seed points first.

All entrants must be registered with Snowsport England, Scotland or Wales.

As there are two separate series with different organisers, there is no block entry facility or discount.

Racers born **2005 and earlier** are eligible for GBR Races:

Age Categories: U14, U16, U18, U21, SEN, MAS

CLUB NATIONAL RACES

The aim is to provide races which will give performers with no seed points, or high seed points, the opportunity to improve. Entry is determined by selecting racers with the highest or no seed points first.

If, at the closing date for entries, a Club National race is not full with entries from registered racers, the organisers may accept entries from un-registered racers

Racers born **2005 and earlier** are eligible for Club National races.

Age Categories: U14, U16, U18, U21, SEN, MAS

UNDER 12/UNDER 10s RACES

These will be held with each of the Club National Races and GBR races.

The aim is to provide an introduction to racing within the formal setting.

Racers born in **2006 to 2009** are eligible for U12/U10s races.

Racers born in **2010 or later** are not eligible to compete in any races on this calendar.

All Snowsport England organised races will be held on slopes that have been homologated by the Snowsport England Alpine Race Committee for the standard of race scheduled.

Any club wishing to hold training courses for officials should contact Ian Roberts on Email: ianroberts.sse@btinternet.com
