

English Alpine Championships
Bormio, Italy
11-16 February 2018
Course Setters and Referees

To help us strengthen the links between the race organisation and the coaching community, for the 2018 competition we have appointed Marc Telling to take the lead in helping us to organise Course Setters and Referees for all the races.

Our Championships is an ideal development opportunity for coaches to gain experience in both course setting and refereeing, and Marc is keen to use his experience to help us put together a team of Course Setters and Referees that not only provides the service that we and the competitors need but also makes best use of this chance for coaches to enhance their skills.

How to get involved

There are over 30 courses to be set and over 15 Referee positions in both FIS and Children's competitions, plus the option to 'shadow' various roles, so there is plenty of work to be done!

If you are interested in getting involved with any aspect of course setting and refereeing at the Championships, please contact Marc directly for more information (marc@ambitionracing.co.uk).

And finally, the boring bit...!

The final decision all Referee and Course Setter roles will rest with each individual race Jury and/or Team Captains Meeting and will not be finalised until we arrive in resort.
